ANNOUNCING for KleenMark Customers...
Top-Selling Kärcher Pressure Washers

Kärcher was the only brand of pressure washers chosen to clean Mount Rushmore in the summer of 2005

Who is Kärcher?

Kärcher is a pioneer in high-pressure cleaning equipment having invented the first hot water pressure washer in 1950.

Today Kärcher is the world's largest manufacturer of pressure washers and is the undisputed leader in innovation with more than 300 patents.

Kärcher is so dominant in the world market that a Kärcher pressure washer is purchased somewhere on earth every 6 seconds.

You've never had so much from KleenMark!

KleenMark has teamed up with Kärcher to provide the most extensive and comprehensive line of hot and cold water pressure washers in our history.

NEARLY 100 hot and cold water models available

NEW stainless steel coil wraps are now standard on hot water models

DOUBLE the number of natural gas-heated hot water pressure washers

NEW chrome handles are now standard on all cold water models
